## New Business

Below is PI's June Secretary's Report. Please review for accuracy and let me know of any needed corrections.

Following the report is the PI Outreach Events Schedule. All of the events need volunteers. Please ask for volunteers at your business meeting. There is a real need. The

sobriety requirement for PI volunteering is 24 hours. 😬 Grab a few friends and pick an event! :-)

It is a lot of fun and a great way to be of service while spending time with your friends in AA.

Love and service,  
Luther W  
PI Secretary

Activities- Founders Day picnic was this past weekend

Webmaster- no known downtime, Susan asks again if groups will not be meeting a certain day to let her know so she can put it on website

New Business- went over by-law committee workshop and discussed PI committee

**Old Business:****Intergroup By-Laws:**

-Intergroup will not decide how PI interprets the by-laws. PI is free to decide how they would like to proceed.

**PI Organizational Suggestions Discussed:**

-PI Outreach would continue to meet on the 2nd Tuesday and home groups would be able to continue to send PI volunteers as a commitment in their home group. Home groups could send as many PI volunteers as they would like. PI volunteers would be able to participate in any of the PI committees that chose to meet on the 2nd Tuesday (PI Outreach, CPC, Corrections, Treatment). The committees would conduct their business at the 2nd Tuesday meeting and the chair of each committee would take their committee's report back to the monthly Intergroup meeting on the 1st Tuesday. The committee chairs would need to be Intergroup representatives and appointed by vote at Intergroup. PI Volunteers would not need to be Intergroup representatives, but could be.

-Another option would be to open the 2nd Tuesday to all Intergroup committees to provide the committees with a consistent meeting place and time to conduct business.

By-Laws Approval Process: A copy of the most recent version of the by-laws was distributed at the June Intergroup meeting. Intergroup representatives are to take the by-laws to their home groups for discussion and bring back their group conscience to Intergroup. Once a final version is agreed upon, there must be a minimum of 45 days between the release of the final draft and the final vote/adoption.

A copy of the by-laws can be found on the intergroup site at <https://york-pa-aa.org/yai/intergroup-bylaws/by-law-revisions-2024-3/>

**New Business:**

Discussed addressing the concerns of home group members that find the etiquette of some attendees disruptive that are coming in as part of a group from recovery houses. Suggestions were to include etiquette expectations in the meeting format and to offer sponsorship. Writing the GSO was discussed, but it was thought GSO's response would be that they had no opinion. One participant indicated that their recovery center explained the expected etiquette before taking them to a meeting.
