## NERAASA 2023 Summary

### Intergroup Roundtables:

- Advertisement such as bus stops, placemats at diners and signage.
- Participation with open commitments; Having one on one conversation with someone rather than making an announcement.
- Utilize the committee structure with district to avoid overlap and encourage support with workshops and other events.
- Rotating on from service commitments; writing a closing statement to the succeeding party informing of tasks that had been in the works or upcoming business that they could expect. Maybe also writing a summary of what big business or tasks they had to address during their term. Followed by a wellness check on that position and seeing if there is anything you could clarify for that new officer.
- Bi Laws and Revising them. Align our actions with our preexisting Bi laws, or revising our Bi laws to align with our actions. Suggestion to Take an inventory on our current Bi laws and see how they are aligning with our current actions.
- Finance; Yellow pages/ Guidelines for intergroup. Form an ad hoc committee to address the “non-profit” motion. Ad hoc committee should have both sides represented with informed people about the subject. Address what we are liable for if we decide against nonprofit in the event of an IRS audit.

### PI/CPC Roundtables

- QR code link to various articles for doctors, people in professional communities.
- Rotating on from service commitments; writing a closing statement to the succeeding party informing of tasks that had been in the works or upcoming business that they could expect. Maybe also writing a summary of what big business or tasks they had to address during their term.
- What can CPC do?
- Provide info to the staff of retirement communities, to educate them on what AA is and potentially alcoholic clients that they deal with and educate them on what their clients suffer from and how they can help them more effectively.
- “Sponsor a doctor” put together packets of pamphlets and other literature, and then work with them to inform them about what AA does and can offer their patients or other possible AA’s.
- Contact HR of local companies and inform them of what we have to offer.
- Contact guidance counselors of High schools, put out literature if permitted and possibly hold a workshop.
- Distribute literature to Local libraries. As well as “Little Free Libraries” in the local areas.
- CPC AA kit AA.org: workbooks on all committees are unavailable for physical order but they are hyperlinked to digital copies for free.
- Create and update a google drive containing a log of activity at the service level including: Communication with treatment centers and commitments held there. Reaching out to entities within the professional community to provide information/ services and distribution of literature. (Area 11 Connecticut)
