In March, we had a handful of meetings resume in-person, continuing the trend from last month. As meetings open up, I intend to highlight those re-openings on the home page, which you can see on the home page now. I'll update this list as meetings update and remove meetings from the home page after a month or so.

We have seen a notable increase in spam on our web forms, including the Meeting Update Form and Bookstore Order Form. As for now, it's mostly a nuisance. The only way I know of to mitigate this is to pay \$120/year for Akismet WordPress spam prevention. I will research other options as well.

When meeting changes settle down a bit more, we should consider printing more meeting schedules. Until that time, we post a printable list online every few weeks with the latest updates.

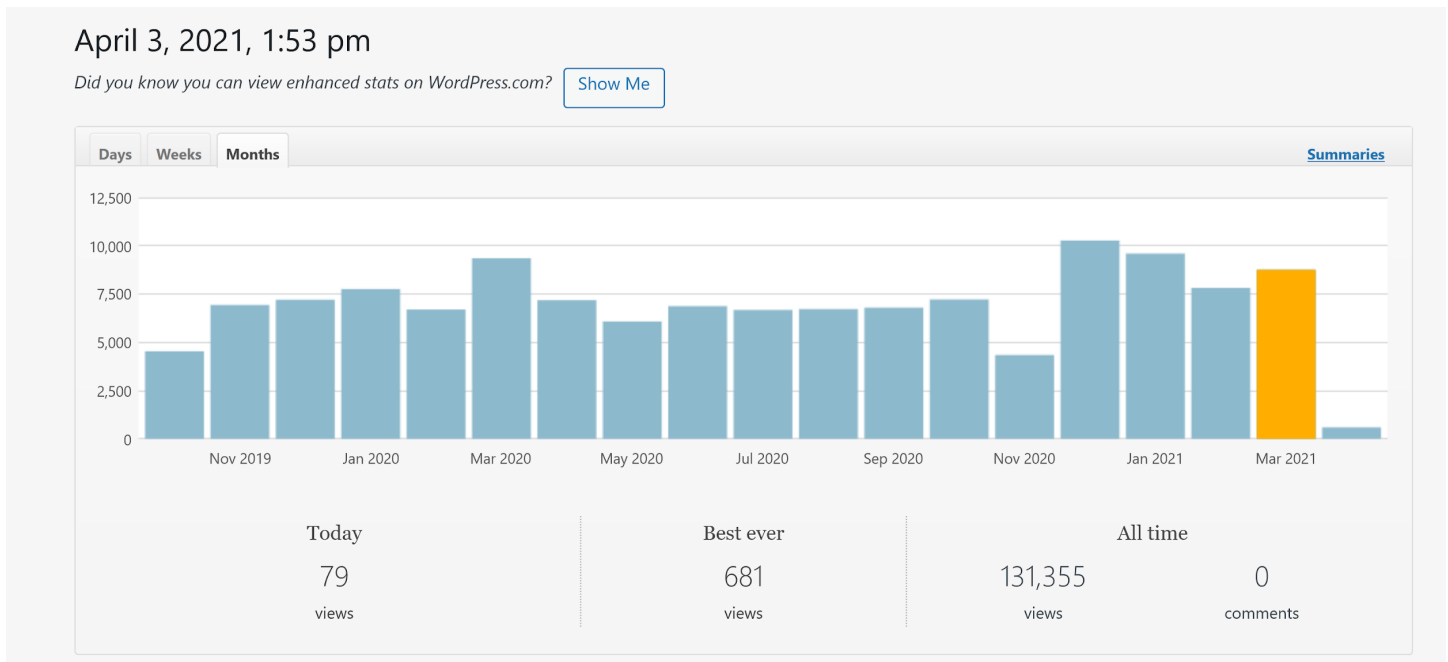

Thanks so much for allowing me to be of service!

Marc E.
