## Webmaster Report for April 2022 YAI Meeting

The website was 100% operational for the month, with no known downtime.

I am seeking a volunteer to help with the website. It's not much work, and I'd like to start training someone to ultimately take over this position next year. If you know of anyone who's interested in helping and in potentially taking over this service position next year, please put them in touch with me. Thank you.

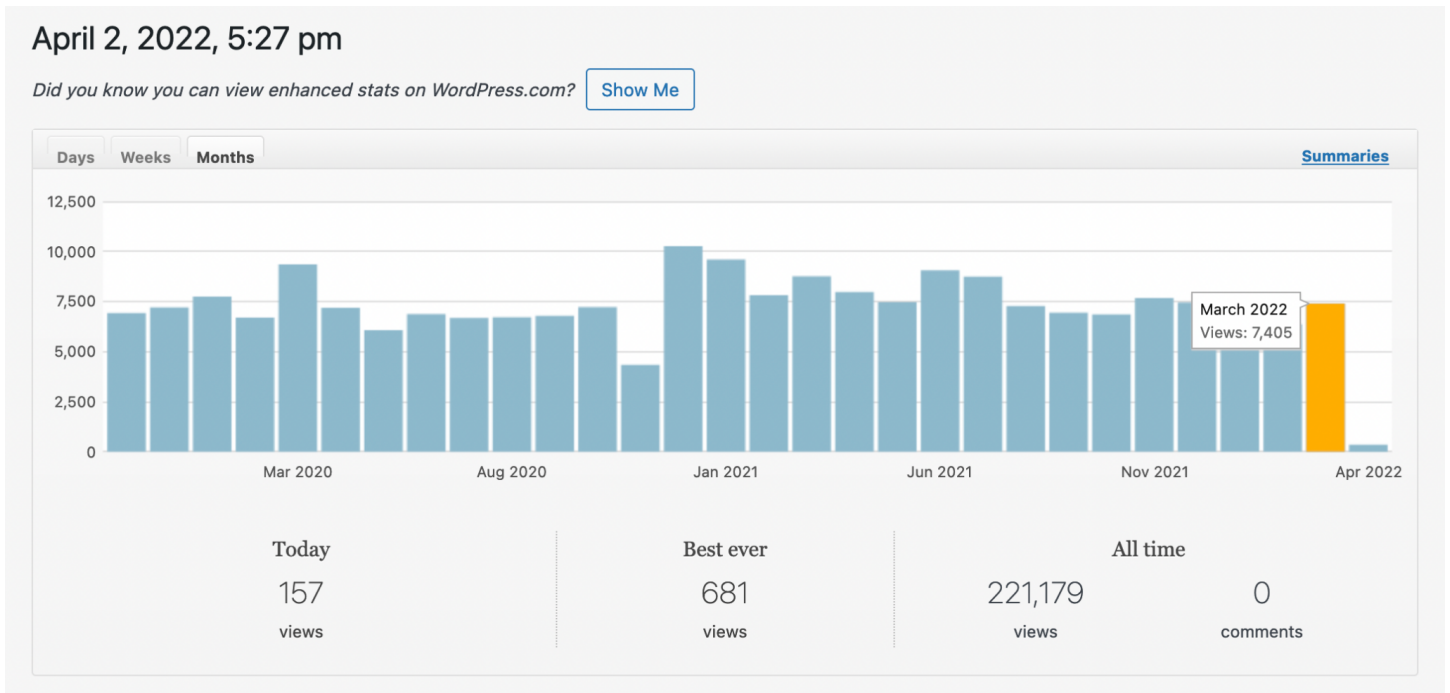

In Service,

Marc E.
