Webmaster Report for December 2021 YAI Meeting

November was another very slow month for meeting updates. The website was 100% operational for the month, with no known downtime.

We received a request to share our meeting list data with the Area 59 website meeting list, and we are now doing so. When the integration is complete, our meetings will show up on the Area 59 website meeting page at <https://area59aa.org/meetings/>, and meeting updates will be reflected on their website within a day of updating on our site (similar to the Meeting Guide mobile app)
