Bookstore Treasurer

Steve and Cecil worked together to create a Zoom account for YAI, and this Zoom account was used for all Christmas and New Year’s Alcahthon meetings. Many heartfelt thanks to them for this service, and to Cecil for all her work in setting up the meetings, posting them on the site, organizing the meetings with the home group representatives, and working with meeting chairs with credentials and setting them up for success.

As we continue to keep up with the meeting changes that you send us – PLEASE continue to submit meeting changes using the forms on the website, rather than calling or texting Marc or Cecil. The website keeps a record of these changes all in one place so we can contact you about any questions we have. As group meetings fluctuate between in-person and video/phone, let us know what restrictions you may have, if you will continue using phone/video meetings and any other details. We aspire to update meetings within 48 hours of receiving notifications.

When meeting changes settle down a bit more, we should consider printing more meeting schedule. Until that time, we post a printable list online every few weeks with the latest updates.

Thanks so much for allowing us to be of service!
