Webmaster Report for January 2022 YAI Meeting

The website was 100% operational for the month, with no known downtime. Aside from the home page, the Christmas and New Year’s Alcahion event pages were the most popular pages this month. Thanks again to Jenny for the beautiful flyers!

As I mentioned last time, we received a request to share our meeting list data with the Area 59 website meeting list. Despite repeated attempts, we were unsuccessful in setting up the daily automated import/export from our site to theirs. Instead, once a month I will be sending a file containing all of our meetings to the Area 59 webmaster, and he will import that file into the Area 59 meeting list. Our meetings now show up on the Area 59 website meeting page at <https://area59aa.org/meetings/>.

In Service,

Marc E.
